Cargo Cellar Door

The cellar door was previously located just south of Dunedin, where it was known as Wangaloa Presbyterian Church. It was built in 1894 for 240 pounds. In the early 1950's, it was deconsecrated & became the local library & community hall. It was relocated to the vineyard in 2000 in one large truck, a journey of 300 kilometers.

Our Brands

Sit back & relax as we bring you a tasting experience like no other. We are proud to be partnered with 4 award-winning Central Otago wine brands, as well as showcasing our own beer label, Cargo Brewery.

Bald Hills strives to bring out qualities unique to their boutique vineyard, gently tailoring the wines with minimal interference. Bald Hills is located in Bannockburn.

Domaine Rewa work together with bees, chickens, & olive trees, providing welcome biodiversity to the vineyard & creating quality wines. Domaine Rewa is located in Lowburn & is Biogro certified.

Prophet's Rock is proud to be Biogro certified; the vineyards are the foundation of their wines. The journey starts in the vines, where low yielding fruit is grown with great concentration & flavour, fruit that is then treated with deference.

Quartz Reef farm holistically, with full organic & biodynamic certification. Their aim is to craft engaging wines that tell a story, capturing the extraordinary beauty & energy of the l&scape, & expressing this with purity & precision in your glass.

Cargo Brewery is both unique & innovative, a brewing company created in order to bridge the gap between mainstream & craft. The Cargo range of beers are easy drinking & balanced, with recipes perfected over the last 5 years.
